

Turning Curves

An Accountability Companion Reader

TABLE OF CONTENTS

Mark Friedman

TABLE OF CONTENTS

INTRODUCTION	1
CHAPTER 1: The RBA Framework As A Whole	3
*1. What is RBA?.....	3
*2. <i>Measuring Results in the Real World: A better way to link policy analysis and performance management</i> by Mark Funkhouser.....	4
*3. Compacts and Conventions	5
*4. The Vermont Accountability Compact and Vermont Act 186 (Appendices A&B).....	6
*5. The simplest way to implement RBA.....	7
*6. RBA and non-western cultures.....	8
*7. Some reflections on how to keep RBA flexible and useful while maintaining its intellectual integrity.....	9
Questions from ends to means in less than an hour.....	12
*8. If it's not useful don't do it.	13
*9. <i>How outcomes saved my life (or at least my sanity)</i> (Appendix C) by Mike Pinnock	14
*10. <i>The Leeds Story: Transforming Life Chances for Children, Young People and Families in Leeds, UK: Using Outcomes-Based Accountability</i> (Appendix D) by Nigel Richardson and Adam Hewitt.....	15
*11. The importance of parallel implementation within RBA	15
*12. The diffusion of innovation: What the research tells us about the history (and potential) growth of RBA!.....	16
*13. If you could make one number better in the next three years, what would it be?	20
14. Tool for Choosing a Common Language (Appendix E)	21
15. The importance of forecasts	21
16. Some thoughts on funding only evidence-based practice	22
17. Review: <i>Expanding the evidence universe: Doing better by knowing more,</i> by Lisbeth Schorr and Frank Farrow	23
18. Using data for improvement not punishment.	24
19. Why the Turn the Curve exercises use self-managed groups.....	25

20. Over-promising.....	26
21. The book club (and curriculum) approach.....	26
22. Honoring the legacy of previous work	27
23. Honoring cynicism	28
24. A lesson in coaching (strange interlude).....	29
25. Why no-cost/low-cost ideas are so important	30
26. Translating RBA	32
*27. Mental Models (Appendix F)	32
*28. How to use the RBA Implementation Self Assessment (Appendix G).....	33

CHAPTER 2: Population Accountability.....34

*1. How to measure the success of population level strategies or initiatives.....	34
*2. Collective Impact using RBA (Appendix H)	35
*3. Co-conspirators	36
*4. Multiple lists of population results - and what to do	36
5. Review: <i>Poor Economics</i> , by Abhijit V. Banerjee and Esther Duflo	38
6. When can performance measures for a service population be used as indicators for a whole population?	39
7. When can a sector workforce be considered a population?	40
8. A shortcut method for choosing population indicators	41
9. Why Population Accountability should be important to K-12 educators	41

CHAPTER 3: Performance Accountability43

*1. Build a performance foundation in your organization	43
*2. Change the forms, change the culture.....	44
*3. The misuse of targets.....	45
*4. Tips for developing strong performance improvement plans	47
*5. Pay for performance has no place in government.....	49
*6. Reimbursement based on outcomes always creates perverse incentives	49
*7. Next Generation Contracting (Appendix I & Appendix R)	50
*8. An RBA expert in every unit	51
*9. Don't try to connect performance measures to indicators	51
*10. <i>The Cardiff and Vale Experience</i> by Ruth Jordan (Appendix J)	52
*11. The 20-60-20 rule	53
*12. The performance of teachers (Appendix K).....	53
*13. When infrastructure is the customer	55
*14. How to do (and how not to do) individual employee evaluation	56
*15. The rationale behind the question <i>Is anyone better off?</i>	58
16. The wording of the other two RBA performance measurement categories: <i>How much did we do? and How well did we do it?</i>	59
17. Is anyone worse off?.....	61

18.	Implementation coaching and “How do we...?” questions	61
19.	Don’t waste time debating whether a measure is <i>How well?</i> or <i>Better off?</i>	62
20.	Data development agenda creativity.....	62
21.	Average length of stay	63
22.	How to measure alignment (Appendix L).....	64
23.	It’s OK to work on secondary measures	64
24.	Qualitative vs. Quantitative measures confusion.....	65
25.	Minimally intrusive data collection	66
26.	How the 7 questions translate into report formats	66
27.	RBA on RBA: Using RBA to track RBA implementation in Anglicare Western Australia (Appendix M) by Desiree Nangle	68

CHAPTER 4: Choosing Performance Measures For Selected Services.....69

*1.	How to measure “capacity building”	69
*2.	Performance measures for employee morale and recommended morale survey questions	71
*3.	The performance of Administrative Services: Control vs. Enabling	72
4.	Performance measures for Arts Organizations.....	72
5.	Performance measures for Spatial Planning / Development	75
6.	Performance measures for Information and Referral Services	76
7.	Performance measures for Volunteers and Volunteerism	77
8.	Performance measures for Advocacy	78
9.	Performance measures for Partnerships.....	79

CHAPTER 5: Putting Population and Performance Together (and stuff that didn’t quite fit anywhere else)82

*1.	The relationship between programs and population results.....	82
*2.	Do you always have to teach both Population Accountability and Performance Accountability?.....	85
*3.	When do service system performance measures work as population indicators?	86
*4.	Don’t skip steps between Population and Performance Accountability	86
*5.	Results based budgeting: “Do we need it?” “Is it working?”	87
*6.	Value for money	88
*7.	Cutting budgets with RBA (Appendix N).....	89
*8.	Questions to be answered about social investing (Appendix O).....	90
*9.	Beware of Social Return on Investment (SROI) analyses	91
10.	A Q& A Session with Wales (Appendix P)	92
*11.	Eighteen Short Bits of Advice	92

CHAPTER 6: The Results Scorecard94

by Marc Stone and Kayleigh Weaver

*1. Overview94
2. Real-Time, Interactive Scorecards94
3. Strategy-Maps and Gantt Charts95
4. Selected Examples of Scorecard reports (Appendix Q).....96

A Note about Notations: Throughout the book there are numerous references to pages in the book *Trying Hard Is Not Good Enough* (TH).Where pagination is different between the 2005 and 2015 editions, page references will be shown as (TH p. 135 / 140)

APPENDICES:97

A. Vermont Accountability Compact.....98
B. Vermont Act 186: An act relating to reporting on population-level outcomes and indicators and on program-level performance measures101
C. *How outcomes saved my life (or at least my sanity)* by Mike Pinnock107
D. *Transforming Life Chances for Children, Young People and Families in Leeds, UK Using Outcomes-Based Accountability,* by Nigel Richardson and Adam Hewitt114
E. Tool for Choosing a Common Language (revised)119
F. Mental Models121
G. RBA Implementation Self Assessment Questionnaire123
H. Collective Impact using RBA.....124
I. Next Generation Contracting127
J. *The Cardiff and Vale Experience* by Ruth Jordan130
K. Additional Notes on Teacher Performance Evaluation.....134
L. How to measure Alignment137
M. RBA on RBA in Anglicare Western Australia by Desiree Nangle and Supplemental Implementation Research Questions138
N. Cutting Budgets with RBA.....140
O. Social Investment Bonds and the Challenges of Social Investing.....141
P. A Q&A Session with Wales144
Q. Examples of Scorecards148
R. Press release: *New Zealand Government Chooses Results Scorecard™ Software to Manage Streamlined Contracting with NGO's*.....150
S. Selected Readings and Resources152

Notices regarding the free use of Results-Based Accountability™ (RBA) Outcomes-Based Accountability™ (OBA) material by government and nonprofit organizations:158
